Parks & Recreation

The Park Board wants to welcome everyone to a new year of outdoor activity and fun. For 2013, Field A will have a new backstop which finishes the fencing project. Also, 38 senior students from McGuffey High School participated in a Senior Day of Caring to paint the dugouts, doors, trash barrels and picnic tables as well as helping clean up and beautify the Park grounds. We thank them for their service and help.

Sewage Collection

Payments for Franklin Manor Sewage should be made to the Township and can be remitted through the mail to 100 Municipal Road, Washington, PA 15301 or by stopping by the office anytime between 8:30 am and 4:30 pm Monday through Friday. For your convenience, we also have a secure drop slot for after hours payments. Please note that Pennsylvania American Water will continue to bill you for your **water** usage.

Lagonda Homemakers

The Lagonda Homemakers Club is seeking new members for Fun, Lunch, Trips, Crafts and Bake Sales. You must live in South Franklin Township. For those interested, please contact Lois (724-948-3743), Evelyn (724-222-9271) or Beryl (724-229-3069) for information.

Range Resources

Range Resources has completed all major operations on the Folly Hollow well site located on Deerfield Road. The Township will continue to work with Range to ensure the safety of residents and to correct any problems that arise from future activity. If you

Drilling Rig

have any concerns or questions regarding drilling operations, please contact Township Manager Tyler Linck so the Township can take remedial action, if necessary.

CNX Gas

CNX Gas has five (5) well sites located in the Township. Three on Farmer Lane, one on Old Scales Road and one on Bethel Church Road. A sixth site is being developed near the intersection of Route 221 and Pleasant Grove Road for research and data collection only. A seventh site is proposed off Gameland Road. The Township is working closely with CNX to ensure the safety of our residents and durability of our roads. CNX will also be constructing a water fill station on Route 221 near the Morris Township border. It will be a coin operated facility open to everyone.

Electronics Recycling

South Franklin Township is offering free recycling of specified electronics and appliances. A list of acceptable items for recycling is available upon request. Call the Township when you are ready to deliver the recyclables.

Zoning Ordinance and Subdivision and Land Development Ordinance

The Township has undertaken a joint project with Green Hills to update our Zoning and Subdivision and Land Development Ordinances. Mackin Engineering was hired to complete the update of the Zoning Ordinance and Subdivision and Land Development Ordinance. The new ordinances have been adopted and enacted as of May 7, 2013.

Upcoming Projects

Bankson Engineering is working hard on completing our Act 537 Plan in hopes of bringing public sewage to the Township. We intend to have this Plan completed this year. Another project is upgrading the Equalization Tank in the Franklin Manor Sewage Treatment Plant to ensure the plant continues to operate efficiently and properly. The Township also plans to reconstruct Bond Street and Estate Lane in Franklin Manor.

Township Clean-up

South Franklin Township is extending a request to all residents. Please do not litter. Please try to keep our Township clean and pick-up any stray litter you may see. Take pride in where you live by not discarding garbage around the Township and help prevent others from dumping trash illegally.
