June 5, 2020

**SOUTH FRANKLIN TOWNSHIP  
COVID-19 GREEN PHASE**

*The following information regards the reopening of Township operations as per moving into the Green Phase.*

All businesses may resume in-person operations as long as they strictly adhere to the commonwealth's guidance (*note that the business guidance document is the same for both yellow and green zones*). Businesses that were authorized to operate in the yellow phase at 50 percent occupancy may operate at up to 75 percent of the maximum occupancy in the green phase. Businesses may reopen in green that were restricted to telework in yellow but are strongly encouraged to continue to telework and stagger the return of employees to in-person operations.

The Township Office will be open but with restrictions. All office operations will follow the commonwealth's guidance, including universal masking and social distancing. It is still encouraged to call and setup an appointment for office information and to mail in any documents. Please use the doorbell for access into the office.

Township playgrounds will be OPEN on FRIDAY JUNE 5, 2020, however, CDC guidance should be followed as well as the signs placed with the park and playgrounds. Pavilions and the Community Building will be OPEN. However, any gathering for a planned or spontaneous event of greater than 250 individuals is prohibited. This includes, but is not limited to, a concert, fair, festival, conference, sporting event, movie showing, or theater performance. Everyone is strongly encouraged to continue to practice social distancing by staying six feet apart, wearing cloth facemasks, and frequently washing hands.

We thank you for your consideration. Stay safe!

Sincerely,

William H. Cline

Chairman
