

RESIDENTIAL DWELLING SANITARY SEWAGE INSPECTION
FOR ILLICIT STORMWATER TIE-INS

This form is your notice that by PA DEP mandate, your residential dwelling in **South Franklin Township** must be tested to verify that no illicit stormwater from this dwelling is being discharged into the Public Sanitary Sewer System.

This inspection will include both an internal and external inspection of the existing drain lines and should take approximately one (1) hour to perform.

This inspection can be scheduled by contacting United Code Consultants at: 724-492-1301 between 8:00 AM and 4:00 PM, Monday through Friday or by email at contact@unitedcodeconsultants.com. We require a minimum of 48-hour advanced notification. (If a scheduled appointment cannot be kept, please contact this office immediately or an additional inspection fee will be charged.)

United Code Consultants' personnel are fully insured and will make this process as non-intrusive as possible.

The \$135.00 fee for this inspection is to be paid to United Code Consultants at the time of the application. Please sign below as your acknowledgement that you understand and agree to the above testing procedure.
